

HA-FW-000-00-R

Features

Handset with cradle, specifically designed for radio communication and hands free kits application, allowing private communication when stationary. Standard version with volume control and hook reed. The coil cable is reinforced for a better tensile strenght.

Customizable on request.
Optional: PTT

Technical Specifications

Material: Nylon 6/6matt black
Dimensions: 175x35x18 mm
Operat. temp.: -20° - +55° C
Storage temp.: -40° - +80° C
Humidity: <90% (not cond)
Weight: 200g

Connections

| Pin | Signal |
|-----|---------|
| 1 | Hook |
| 2 | +Rx |
| 3 | -Rx |
| 4 | +5 Vcc |
| 5 | Mic out |
| 6 | GND |

Loudspeaker

Nominal imp.: $64 \Omega \pm 15\%$
Max input power: 300 mW
Mean output Spl: 82dB ± 3 dB
THD: <5%version

Microphone

Type: Omni directional
Sens.: -44dB ± 3 dB
re 1V/Pa @ 1kHz
S/N Ratio: > 56 dBA
Max. input SPL: 110 dB
